

Roskilde Municipality Renovating of specialist rooms at 6 schools

In collaboration with White arkitekter A/S - which is a total consultant for Roskilde Municipality - we have been responsible for the renovation of subject rooms at 6 schools in the municipality, Lynghøjskolen, Klostermarksskolen, Himmelev School, Jyllinge School, Østervangsskolen and Tjørnegårdsskole

A task that over a multi-year period includes registration, condition, maintenance needs, upgrading to the applicable standard and coordination of user wishes, etc. Damgaard prepared the project and tender.

Execution: 2008 - 2009

Client: Roskilde Kommune
